Chat with the Chairman

Join CFMA Chairman Kevin Booth every month as he talks to those who help shape CFMA into the organization it is.

In the third episode, Kevin sits down with the Chairman and CEO of Sage Policy Group, Anirban Basu, to talk about the Virtual Conference and more!

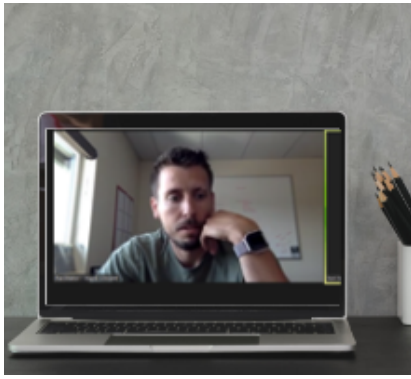

Every Constructor Needs a Current Business Continuity Plan

As construction businesses cope with the far-reaching effects of COVID-19, it can be easy to put off long-term planning to focus on getting through the day-to-day challenges. However, this global pandemic has highlighted the importance of having a business continuity plan in place.

Unique Lending Challenges for Contractors

Construction contractors operate in a unique world where obtaining financing isn't as easy as simply filling out an online application. Banks may discount contractors' financials during the underwriting process, and this may make it difficult to obtain a line of credit or another type of working capital loan.

Small Firm CFO Roundtable Recap

This roundtable drew more than 76 construction financial professionals who were engaged in discussing topics of interest to contractors in the \$1-25 million revenue range.

Medium Firm CFO Roundtable Recap

This roundtable drew more than 140 construction financial professionals who were engaged in discussing topics of interest to contractors in the \$25-100 million revenue range.

Large Firm CFO Roundtable Recap

This roundtable drew more than 160 construction financial professionals who were engaged in discussing topics of interest to contractors in the \$100 million or more revenue range.

An underwriter's perspective on business growth

[Here are 7 key elements to consider](#), from an underwriter's perspective, if you want to grow your business. Knowing what your surety underwriter will be looking for is essential for doing it the right way. -- *advertisement*
